

## ELITE INVITATIONAL ANNUAL SUMMER SOCCER CAMP

JULY 4th – 8th, 2016

FOR THE ULTRA SERIOUS PLAYER  
at  
St. JOSEPH'S SCHOOL BOYNTON BEACH

It's my pleasure to personally invite you to the 17th annual exclusive 'Elite Invitational Camp' where you will join a challenging group of players who share the same passion, desire, and mentality for the game as you do.

This unique progressive program is designed specifically to take the ultra-serious player to the highest level by providing a **dynamic training environment and regime** guaranteed to challenge you and produce the ultimate results.

St. Joseph's School is situated on the edge of Delray Beach and offers excellent training facilities in an intimate setting. The Bermuda grass, full-sized field has two shaded bleachers and a large gymnasium for use in inclement weather.

Players are constantly subjected to pressure situations and the toughest conditions that the game demands. However, they will be inspired, encouraged and driven to adapt through Supreme Soccer's **holistic approach**.

The camp will prepare you physically and mentally for the upcoming season and is ideal for players aspiring to play in college or players entering or returning to play collegiate ball.

The program is extremely competitive and demanding with a fierce intensity, the atmosphere generated is an awesome experience alone, referred to simply as the '**Supreme Way**'. The **ELITE** player is a breed apart and so is Supreme Soccer; suffice to say, this is the most advanced and progressive program of its kind. It's where the **best get better** and, no matter what your goals and final destination may be, you'll find Supreme Soccer goes **way beyond** the limits to get you there. **This is the ultimate, unparalleled training center of its kind!**

I shall personally direct the camp and coach all sessions.

Three age groups (10-12) (13-15) (16-18) with a maximum of 25 players per group will participate in camp simultaneously. The program will encompass and focus on every aspect of the game; technical, tactical, psychological and physical. Included are six-a-side, small-sided functional games and 11v11. A '**SUPER SKILLS**' contest will be held with an award to the winner

'**BEAST FITNESS**' will be also be providing physical fitness exercises specifically designed for soccer players.

**The morning session begins promptly at 9:00am.** A substantial lunch is provided. Rest period is from 12:30pm – 2:00 pm. After relaxing the afternoon session begins at 2:00pm until 5:00pm. Drinks and snacks are provided during the morning and afternoon.

It is important that you are acclimatized, prepared, arrive in good shape and **attend every session**. Make sure new shoes are broken in prior to camp to prevent blisters. Also bring running shoes and flip flops/sandals – **No bare feet at any time**

Only if you are ambitious, determined, disciplined and possess **mental toughness and a positive attitude** will you benefit from the camp. Take a quantum leap and experience the real thing. Dedication, enthusiasm and a good sense of humor are prerequisites – we'll provide the rest!

Sounds too good to miss, so to reserve your place send your completed application form with a nonrefundable deposit of \$150 made payable to 'Supreme Soccer' before **JUNE 1<sup>st</sup>, 2016**. Owing to overwhelming response do not miss the **DEADLINE**.

*Yours in Soccer*

*Tony Stevens*
